

Support for obtaining certifications or licenses

29%

A horizontal bar chart with five bars of different colors (dark blue, maroon, red, green, and dark purple) representing different activities. Each bar has its percentage value written inside it. The bars are arranged vertically from top to bottom: dark blue (29%), maroon (23%), red (15%), green (10%), and dark purple (7%). Dotted horizontal lines extend from the end of each bar across the chart area.

Activity	Percentage
Support for obtaining certifications or licenses	29%
Mentoring	23%
Business and entrepreneurial skills development	15%
Support for transitioning into college	10%
Student competitions	7%
